**CLAIMS AND REFERENCES UNDER DISCUSSION
FOR INTERVIEW OF APRIL 10, 2008**

The Commissioner for Patents
P.O. Box #1450
Alexandria, Virginia 22313-1450

Sir:

The following claims and references will be discussed in the interview scheduled for Thursday, April 10, 2008, at the United States Patent and Trademark Office: The following has the appearance of amendments. However, all of the amendments have already been entered. The following is provided to show the current status of the application.

CLAIMS

128 (Currently amended). A method of CPR treating patients comprising:

- (A) wrapping a belt, with first and second opposite extremities, around and in contact with a substantial majority of a patient's [chest] torso, said belt being
